**Sweet Seat Update/Reminder: Please be mindful that these seats are paid for by corporations and individual. They have rights to these seats for ALL events held in our gym including tournaments, concerts, plays, etc. They are not coat holders and play areas for children. If you have not purchased your sweet seat yet there are still a few available contact Joe Baierl or Will Schlinsog.**

**Question: What does your booster club do and why do we need one?**

**Answer: Your booster club is here to raise funds for all MACS athletics, Pre-K through 12. Some of these expenditures can be buses, uniforms, referees, coach's stipends, equipment, etc. We have formed this club to give our student athletes the same advantages as other teams we compete against, and alleviate using funds from the general budget.**
